

**WEEK BEGINNING: 8<sup>th</sup> June 2020****YEAR 5 HOME LEARNING PLAN**

Welcome to our Year 5 weekly home-learning plan. We are **very happy** for parents to amend/substitute any lessons in the plan to suit the interests and ability of their child. Here is an additional educational website list if needed. **Please be aware that the main lessons are produced by BBC Bitesize Daily lessons. These are released online every day. You will generally not be able to view lessons in advance, only on the day they are released. Printing:** We are very happy for activities to be copied out on paper as best you can; please do not feel you have to print out worksheets.

**\*\*SUPPORT activities:** If the Year 5 BBC Bitesize material is too challenging, please select from the BBC Bitesize lesson for [Year 4](#) or [Year 3](#) **EXTENSION**

**ACTIVITIES:** These are included each day on the plan below. \*\*

**NEW THIS WEEK! At the bottom of the plan you can find some optional non-screen activities for each afternoon**

**WHAT TO EMAIL YOUR TEACHER BY FRIDAY:** Please email your teacher a photograph of 2 or 3 favourite pieces of work. We always welcome your messages too. Most teachers are now working in school, so please appreciate we may take longer to respond than last term.

Day	MAIN ENGLISH TASK	ENGLISH EXTENSION if needed (or choose any Workspace lessons missed last term)	MAIN MATHS TASK	MATHS EXTENSION if needed (or choose any Workspace lessons missed last term)	OTHER TASK (Choose from those below and/or try a non-screen activity)
Monday 8 <sup>th</sup> June	<a href="#">Direct and indirect speech</a>	<b>POETRY PONDERINGS</b> Listen to a poem of your choice from the <a href="#">children's poetry archive</a> .	<a href="#">Understand and represent decimals with up to 2 decimal places as fractions</a>	<b>EXCELLENT ESPRESSO</b> Select 'upper' activities from the Espresso Key Stage 2 Maths page. Use the login details that are published on <a href="#">this part</a> of the Workspace.	<a href="#">HISTORY - Anglo Saxon art and culture</a>
Tuesday 9 <sup>th</sup> June	<a href="#">Fact and opinion</a>	<b>IMPROVE your IDEAS</b> Look at the picture and read today's story starter and Question Time on <a href="#">Pobble 365</a> . Let your ideas run free – no need to write, just see where your thoughts lead.	<a href="#">Recognise and use thousandths and relate them to tenths,</a>	<b>UNBELIEVABLE ULTIMATES</b> Choose an Ultimates sheet from the <a href="#">Year 5 resources page</a>	<a href="#">GEOGRAPHY - The Alps</a>

			<a href="#">hundredths and decimal equivalents</a>		
<b>Wednesday 10<sup>th</sup> June</b>	<a href="#">Relative clauses</a>	<b>GO FOR GRAMMAR</b> Select from any of the choices in <a href="#">this link</a>	<a href="#">Round decimals with two decimal places to the nearest whole number and tenth</a>	<b>TRANSUMTASTIC</b> Try these great activities from the Transum Maths Website: <a href="#">Starter of the day problem solving</a> <a href="#">Numbasics daily arithmetic challenge - try Level 1 or SUPER challenge Level 2</a>	<a href="#">SCIENCE - Reversible and irreversible changes</a>
<b>Thursday 11<sup>th</sup> June</b>	<a href="#">Features and writing</a>	<b>RADICAL READING CHALLENGE or HELPFUL HANDWRITING</b> Complete a <a href="#">Reading Challenge sheet</a> on a book you have recently read <b>OR</b> use your best joined handwriting to copy out one of the poems from the <a href="#">children's poetry archive</a> . Decorate your work with a themed border.	<a href="#">Order and compare numbers with up to three decimal places</a>	<b>ENRICHING NRICH or PERPLEXING PUZZLES</b> Select a challenge from the <a href="#">NRICH site</a> Or try one of these <a href="#">NEW Perplexing Puzzles 3</a>	<b>FRENCH – Try something from Mrs Goulden's Page</b>
<b>Friday 12<sup>th</sup> June</b>	<a href="#">Reading lesson: The Wolves of Willoughby Chase by Joan Aiken</a>	<b>SUPER SPELLING</b> Practise any letter pattern of your choosing from <a href="#">Spelling Frame</a> and/or some words from the <a href="#">Orange words list</a>	<a href="#">Maths in football</a>	<b>OVER TO OAK</b> Watch and listen to any <a href="#">Oak National Academy Y5 Maths lesson</a> . Try choosing something you find challenging – be a Yeti!	<a href="#">ART - Exciting paintings - reviewing classic paintings</a>

Fancy a non-screen activity for the afternoon as well as/instead of the 'other task' on the plan? Take your pick from the ideas below:

Day	Monday	Tuesday	Wednesday	Thursday	Friday
<b>Non-Screen activity</b>	Draw a map of your local area and highlight interesting landmarks.	Write a play script. Can you act it out to other people?	Can you invent something new? Perhaps a gadget or something to help people?	Design and make an obstacle course at home or in the garden. How fast can you complete it?	Use an old sock to create a puppet. Can you put on a puppet show for someone, or maybe film it?
