

WEEK BEGINNING: 6th July 2020**YEAR 5 HOME LEARNING PLAN**

Welcome to our Year 5 weekly home-learning plan. We are **very happy** for parents to amend/substitute any lessons in the plan to suit the interests and ability of their child. Here is an [additional educational website list](#) if needed. **Many of the main lessons are produced by BBC Bitesize Daily lessons. These are released online every day. You will generally not be able to view lessons in advance, only on the day they are released. Printing:** We are very happy for activities to be copied out on paper as best you can; please do not feel you have to print out worksheets.

****SUPPORT activities:** If the Year 5 BBC Bitesize material is too challenging, please select from the BBC Bitesize lesson for [Year 4](#) or [Year 3](#).

EXTENSION ACTIVITIES: These are included each day on the plan below. **

ARTS WEEK NON-SCREEN IDEAS –Find them in the green section at the bottom the plan.

WHAT TO EMAIL YOUR TEACHER BY FRIDAY: Please email your teacher a photograph of 2 or 3 favourite pieces of work. We always welcome your messages too. Most teachers are now working in school, so please appreciate we may take longer to respond than last term.

Day	MAIN ENGLISH TASK	ENGLISH EXTENSION if needed (or choose any Workspace lessons missed last term)	MAIN MATHS TASK	MATHS EXTENSION if needed (or choose any Workspace lessons missed last term)	OTHER TASK It's Arts Week!
Monday 6 th July	Reading and using a text	Trapped! Have a go at this reading deduction game .	Distinguish between regular and irregular polygons	 Polygon art – can you make a piece of art using regular and irregular polygons?	Arts Week - Musical performance
Tuesday 7 th July	Romeo and Juliet	Make a Globe mini theatre! Click here . If you don't have a printer, try making your own 3D model of the Globe using anything you have at home.	Identify 3-D shapes from 2-D representations	3-D shape hunt Find real life examples of 3d shapes in your home e.g. baked bean can = cylinder. Try and find at least one example of each 3-D shape you've studied.	Arts week - Artists and Art
Wednesday 8 th July	The Tempest	Lambic Pentameter Get rhythmic and learn how to write like Shakespeare!	Reflection	Putting two and two together Try this NRich activity with triangles	Arts Week - Drama and theatre

Thursday 9 th July	Shakespeare reimagined: Henry V: A Soldier's Tale	Fact pictures Print out or copy a line drawing of William Shakespeare and fill it with facts you have found out about him and his plays.	Translation	3-D shape game Can you complete the challenge ?	Arts Week - Singing and wellbeing
Friday 10 th July	Reading lesson	SUPER SPELLING Practise any letter pattern of your choosing from Spelling Frame and/or some words from the Orange words list	Challenge of the week	TEN MINUTE TEST How will you do in this online, 10-minute Maths Test ? Try selecting the Year 5 option. Or for a SUPER challenge, tackle the Year 6 one!	Arts week - Ten pieces takeover

Fancy a **non-screen activity** for the afternoon as well as/instead of the 'other task' on the plan? Take your pick from the ideas below:

Day	Monday	Tuesday	Wednesday	Thursday	Friday
Non-Screen activity (Creative focus for Arts Week)	Play Mini Ice Hockey Freeze a layer of water in a baking tray to create your ice rink and stick a post-it note at either end of the tray to mark the goals. Use spoons as your hockey sticks and try to hit a button (the puck) against the post it note on the other side of the tray!	Art rocks Collect rocks from the garden and clean them of dirt, then air dry. Use felt tips, paints, chalks or anything you like to decorate your rock. Set them up around the garden as decorations.	Oscar Performance? Pick your favourite film and see how much of it you can act out from memory. If you have family members who want to join in, assign everyone different characters!	Make a junk mobile Stick or tie small pieces of junk onto 4 or 5 strings of different length. You could use anything from buttons and colourful sweet wrappers to toy cars or pasta. Tie each string to a clothes hanger and let your decorations dangle.	Create your own recipe book Think about your favourite meals and snacks and write down the recipes for them, maybe adding pictures too. If you're feeling imaginative, make up your own! Staple the pieces of paper together to make an official book. Don't forget to design the cover too!
