LEARNING TO PLAY A MUSICAL INSTRUMENT AT HJS

2021-2022

We offer children the chance to learn to play the following musical instruments:

- Violin
- Cello
- Brass (trumpet, cornet, baritone, French horn, trombone)
- Woodwind (recorder, flute, clarinet, saxophone)
- Guitar

Places are limited, and priority is given to children who are already receiving tuition within the school.

Tuition usually takes place during the school day. Children are taught either individually or in small groups. They are given a regular time, and are expected to remember to bring in their instrument on that day and get to their lesson on time. Children are expected to practise at home in between lessons.

When children start learning, we offer a free trial lesson. We have some instruments that we can lend for this. If your child decides to continue, then we ask you to commit to and pay for a term in advance.

Violin, cello and brass lessons are booked directly through the school and are provided by tutors from Bristol Plays Music. The cost is approximately £280/year, which is equivalent to £8.50 per lesson. Payment can be paid in full, or by 3 instalments of £93.50. You will receive an email when payments are due. In cases of financial hardship, please contact the school office to discuss options. We require one term's notice, to be given to the office, should your child wish to stop the tuition.

Guitar and woodwind lessons are provided in school by private tutors - you will need to contact tutors directly, using the contact details below. Fees are paid directly to the tutor.

Please complete an application form for 2021-22 if your child currently receives musical instrument tuition **OR** if your child would like to start learning in September 2021.
