BEFORE AND AFTER SCHOOL PROVISION AT HJS

2021-2022

For many of our children, the school day does not start and end in the classroom.

For working parents, it is important to know that children can be looked after and productively engaged in enjoyable activities before and after school, with the same high standard of safety and care that we provide throughout the school day.

We've broken our provision down into three categories: Breakfast Club, After School Activities and After School Care.

BREAKFAST CLUB

For children whose parents need to get to work early in the morning, we offer a Breakfast Club from 8:00am every day. This takes place in Henleaze Infant School. When you arrive on site from the Park Grove entrance, take the pathway to the left to head up to the Infant School entrance and sign them in there.

The Breakfast Club is staffed by employees of the Infant School. It offers pupils from Reception to Year 6 a light breakfast before engaging them in a free play session with crafts and games.

At 8:45am, Breakfast Club staff escort the junior children to the junior school gates. They enter school along with the rest of their year group.

You can find [full details](#) of the offer on our website – just search for Wraparound Care or Breakfast Club.

Parents must register with Breakfast Club by completing a [Registration Form](#). Once registered, you can book regular days. To check availability for occasional extra days, send an email to breakfastclubhenleazei@bristol-schools.uk.

Breakfast Club is open to children who attend Henleaze Infant School and Henleaze Junior School. The cost is £5 per session.

AFTER SCHOOL ACTIVITIES

In addition to any extra-curricular clubs that may be offered by Henleaze Junior School staff, we work with our partners at Shine to offer a choice of sport and other activities every day.

All Shine activities are booked and paid for on the [Henleaze Junior School page on their website](#). They must be booked in advance. Parents will need to create a user account. Clubs must be paid for when they are booked. In cases of financial hardship, parents may

enquire at the school office about the possibility of financial support. We aim for all of our activities to be fully inclusive. If a child requires support to access the activity, parents are asked to contact Shine, who will make the necessary arrangements.

Most activities run from the end of the school day until 4:45pm. At the end of the session, parents collect children from the gateway to the front lawn outside the Dining Hall. If parents need their child looked after beyond 4:45pm, they can book a 'Snack and Chill' session with Shine, which runs until 5:50pm (see 'After School Care' below).

Shine activities are led by qualified instructors, who are all fully DBS checked and trained in safeguarding and health and safety matters. Children can sign up for a single session, or for a term in advance.

Shine After School Activities are open to children who attend Henleaze Junior School.

Henleaze Infant School also work with Shine to offer activities for the younger children. These must be booked separately, on the [Henleaze Infant School page on the Shine website](#).

AFTER SCHOOL CARE

For children of working parents, Shine can look after them until 5:50pm. This is booked in the same way as the After School Activities on the [Henleaze Junior School page on their website](#). This after school care comprises two sessions which require separate booking. These are:

'My Time' - this runs from after school until 4:45pm. It is a free-play session in which children can access a selection of toys, games and arts & craft materials. It is based inside but will also include time outside in the school grounds. Children may choose to relax in whatever way suits them.

'Snack and Chill' - this is a follow-on session which runs from 4:45pm up until 5:50pm. It could follow on from one of Shine's coach-led activities or our teacher-led clubs (see above) or from a 'My Time' session. Children can continue to access the free-play resources and outside space, and a snack and drink are also provided.

Shine's My Time and Snack and Chill at Henleaze Junior School is open to children who attend Henleaze Junior School.

For parents with children at Henleaze Infant School and Henleaze Junior School who wish their children to be looked after in the same place, Henleaze Infant School offer the [Schools Out Play Scheme](#), which is open to all children who attend either of the Henleaze schools.
