JUNIOR SCHOOL

PE and Sport Premium Funding Report 2022-2023

Schools can use the premium to secure improvements in engaging all pupils in regular physical activity, broadening the experience of a range of activities, raising the profile of PE and sport across the school, increasing participation in competitive sport and training staff.

How Henleaze Junior School is spending the fund in 2022-23:

PE and Sport Premium Fund:		£19,920	
Improvement	Action	Cost	Impact & sustainability
Raising the profile of PE and sport across the school	Shine Sports coaches leading games and sports activities at lunchtimes	£15,000	Increased participation is evident across learner groups, and the school council works with Shine to develop their offer.
Increasing participation in competitive sport	Organising and attending inter-school tournaments with selected teams. This covers participation in the inter-schools sports package offered by Shine and transport costs to tournaments.	£4,000	Through our growing partnership with Shine and their links with Bristol schools, we are involved in an increasing number of sports tournaments.
Broadening the experience of a range of activities	Purchasing additional PE equipment to facilitate participation in our broad range of games and sports	£1,000	We have been introducing new sports and activities (e.g. golf, ultimate frisbee, mindful movement) and acquiring resources for these as well as refreshing existing resources.

In the academic year 2021-22, the percentage of Y6 pupils who can swim competently, confidently and proficiently over a distance of at least 25m, use a range of strokes and perform safe self-rescue in different water-based situations is 90%.
