

P126

Five Coins

Which amounts can you make with 5 *different* coins?

Only use the coins shown (you haven't got a £2 coin).

Find as many different answers as you can.

Try to find a step-by-step way to do it.

Objectives

- Choose and use appropriate number operations and appropriate ways of calculating to solve problems
- Use a systematic approach to solve the problem
- Use all four operations to solve word problems involving numbers in 'real life'
- Check that the answer meets all of the criteria
