For an extra challenge, focus just on food, toys, furniture or on one room only.	<u>Invent an instrument</u> Design and draw a new musical instrument. How would it play and what would it sound like?	<u>Draw a view</u> Look out of a window and draw what you see. Now add five make believe things to your picture. Can an adult spot all 5 make believe things?	<u>Kindness jar</u> Create a family kindness jar. Every time someone does something kind, write it down and put it in the jar. When the jar is full, read them all out together and celebrate the power of kindness. Decorate your kindness jar with pictures of things that make you happy.
